Updated 06/09/2020

Government guidance - COVID-19 contain framework: a guide for local decision-makers. Annex 3 covers the actions that may be taken that would impact on childcare. The document describes the four levels or 'tiers' of local lockdown, from tier 1-4. Only under tier 4 would settings be asked to close for all but key worker children and vulnerable children.

<https://www.gov.uk/government/publications/containing-and-managing-local-coronavirus-covid-19-outbreaks/covid-19-contain-framework-a-guide-for-local-decision-makers#annex-3-tiers-of-national-restriction>

What to do if a child is displaying symptoms of coronavirus (COVID-19)

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/915589/Symptomatic_children_action_list_EARLY_YEARS.pdf

The risk assessment sits alongside our Coronavirus Policy and existing Policy and Procedures. This risk assessment outlines the required actions that should be taken to protect employees, children, and their families/ carers and visitors from a potential coronavirus infection.

| Area Description | HAZARD Who may be harmed and how | Control Measures Already in Place | Risk Level (H-M-L) | Further Action Required | Person Responsible |
|------------------|--|---|-----------------------|--|-------------------------------|
| Staff | <p><i>Who:</i> Children Parents/ Carers Staff Visitors</p> <p><i>How:</i> Contact with persons suffering from coronavirus Contact with persons who may have been exposed to coronavirus</p> | <ol style="list-style-type: none"> 1) Share this risk assessment - ongoingly - with the team so they understand the risks in nursery and gain their ideas about anything that they would like to be added. 2) When staff return to the nursery make sure they are fully inducted into the risk assessment. 3) Staff should only attend the nursery if they are symptom free, having completed the required isolation period or achieved a negative test result. 4) Nursery Manager and or Deputy Nursery Manager will risk assess the health and well-being for returning staff. 5) Staff in the nursery is based on those required to care for the expected occupancy levels each day. 6) Wherever possible room staff should remain with the children in their base room. 7) Emergency revisions to the EYFS provides some flexibility on ratios and qualifications - this will only be applied in extreme circumstances. 8) Meetings to be conducted through virtual conferencing and phone calls/ conference calls. 9) Staff must wear clean uniform. This is to mitigate the transmission of the coronavirus. | M | <p>Taking temperatures: Settings do not need to take children's temperatures every morning or throughout the day. Public Health England's guidance is that routine testing of an individual's temperature is not a reliable method for identifying coronavirus. There is no need for anything other than normal personal hygiene and washing of clothes following a day in a childcare setting.</p> <p>Anyone who is displaying coronavirus symptoms, or has displayed symptoms in the previous 7 days, or lives with someone who has displayed symptoms in the previous 14 days, should not attend work unless they have tested negative for coronavirus.</p> <p>Updated 03/08/2020</p> | All employees of Kamelia Kids |
